

## "STRAP" Clamp Tips

STEEL

With all "STRAP" clamps ref.: 70.xxx.xx, 73.xxx.xx, 88.xxx.xx, 95.xxx.xx, 96.xxx.xx, 97.xxx.xx you have a choice between two types of tips: welded tip or "T-shaped" tip.

All our clamps are delivered in the "Standard" form with a welded tip, this is the least expensive solution. The removable "T-shaped" tip enables you to reduce the size of the packaging from 120 to 150 mm (L).

To order a "STRAP" clamp with a "T-shaped" tip add a "T" at the end of the usual reference code.
